New Bailey square is nestled right in the centre of New Bailey, and is well-used leisure space by all workers, visitors and residents. A beautiful square, perfect for high impact brand activations, sampling, small scale events and interactive installations – this space really is one of a kind. In Summer 2022, Aperol brought their Spritz garden to the square which was a hugely popular addition to the area, and with regular usage from the local F&B operators, it is a vibrant and bustling space.
